The thrilling and hairbreadth escapes of some of the members of the Ocala Rifles at the battle of Manassas makes the hair on the everyday citizen's head stand on end. Ask Charlie Moore, Ed Pittmann and Asher Frank for details.

After a vacation of several weeks, the reading club met again Tuesday afternoon with Miss Minnie Gamsby as the hostess. The meeting was a very pleasant one. Forward, double time march! Run, if necessary, and get at the head of the procession! Yes, even get on the band wagon and hear and applaud while the bands play the "Electric Railway Quickstep." Fine music if you have an ear for it.

AND WE ARE GROWING.

The Ocala Daily Banner started out on its career in a modest way.

For the first year it appeared as a five-column four-page paper, but after entering upon its second year the demands upon its advertising space justified its enlargement to a six-column paper, and for a good part of the time it was enabled to print an eight-page paper on Sundays.

The fall trade is setting in so briskly that it now feels justified in enlarging to a seven-column paper, changes, column rules, a new headline, and other necessary materials having been ordered, it will appear in its new form on or about the first of October.

The managers sincerely thank its patrons for their kind and consistent patronage, and they hope to merit a continuance of the same.

The Rev. Henry W. Little has just returned from a pastoral visit to the northern part of the county. Good congregations greeted him on his rounds and the Rite of Adult baptism was administered to many. The ladies are putting the pretty church grounds at Orange Lake into good order. The rector visited the schools at McIntosh and addressed the teachers, scholars and trustees on "Educational Methods" and received a cordial invitation to repeat his visit.

Free to mothers—A box of Dr. Moffett's "Teethina" (Teething Powders) will be sent without charge to any mother writing Dr. C. J. Moffett, St. Louis, Mo., giving the name of her druggist not keeping it. "Teethina" aids digestion, regulates the bowels, overcomes and counteracts the effects of summer's heat and makes teething easy.

Let all pessimists drop out of the ranks. These are progressive days and Florida is in the line of promotion. Let Marion county and especially Ocala get in at the head of the procession. Life is too short to give a minute's attention to croakers. Get a move on you if you want good times to come our way. Begin with the S. S. E. R'y.

Miss Kate Smith, who has been visiting Miss Frances Chambers for a week, returned to her home at Boadman Saturday. Her mother, grandmother, Mrs. Lamar and little brother, drove down and spent the day in Ocala and she accompanied them home.

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence Co., N. Y., writes: "I had kidney disease for many years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water every fifteen minutes, day and night, and passed a brick-dust substance. I believe I would have died if I had not taken Foley's Kidney Cure." For sale by Post Office Drug Store.

Juvenile Ball Game.

From Wednesday's Daily.
The small boys played an interesting game of baseball yesterday afternoon on the Fort King diamond opposite the residence of Hon. Gordon S. Scott. The following is the lineup of the two clubs, viz:

Paul Gates	c	Lovick Miller
Roy Galloway	p	Willie Bullock
W. Carmichael	1b	Charley Chazal
Charley Gates	2b	Selwyn Little
Whit Palmer	ss	Bookie Bullock
Ben Todd	3b	Olof Zewadski
Wiley Burford	rf	John Chazal
Henry Blount	cf	John Schriber
Chas. Standley	lf	Sam Burford

Paul Gates has won the distinction among the smaller ball players as Ocala's famous juvenile pitcher and Roy Galloway as its famous juvenile catcher and the result of yesterday's game shows that they still retain these honors.

The score stood 13 to 8 in favor of the Gates-Galloway team.

The boys will play a match game on the South Third street diamond next Friday afternoon.
